

Course cancellation insurance

Secure Course Cancellation

Insurance benefits – explained in a nutshell

Secure Course Cancellation is a straightforward cancellation insurance for your course or seminar in Europe. Possible insured courses are for example:

- A two-week computer course
- Further education at a college of higher education
- A federal diploma
- A three-day cooking course
- A six-month language course in Switzerland
- One year yoga course

This list is not exhaustive; the General terms and conditions (GTC) apply.

Course cancellation

If you are unable to attend your course due to illness, injury, medical problem, death or any other reason listed in the General terms and conditions, the costs owed under the contract will be reimbursed.

Important information

- Valid in Europe for a course lasting a maximum of 2 years.
- The sums insured apply per case or per event.
- Only available to people who are permanently resident in Switzerland.
- The General terms and conditions of insurance (GTC) apply.

Procedure in the event of a claim
